VOL. XXXIX NO. 6.

STANFORD, LINCOLN COUNTY, KENTUCKY, FRIDAY, JANUARY 19, 1912

EVERY TUESDAY AND FRIDAY

FAIR PROBABLY LAST

WEEK IN AUGUST.

Committees Announced And Work Set On Foot To Boost Knights of Pythias Fair of Stanford.

An enthusiastic meeting of the directors of the Knights of Pythias Fair of Stanford was held Thursday afternoon at the call of President Jim Woods. The first work of organization was started, committees appointed and it was practically decided that the last week in August will be selected as the dates for the fair, immediately following the Broadhead fair, and not conflicting with any of the other fairs in this part of the state.

The greatest enthusiasm is being manifested among the Pythians in the fair, and with the lodge boosting as it is, it is believed by all that the exhibition will be an unqualified success. A number of prominent citizens who have always been identified with Lincoln county fairs, have already sent in their applications to join the Knights of Pythias and get in with the bunch of live young men who are making this fair and intend to make a success of it.

The committees appointed Thursday by President Woods were as follows:

Rine and Track—M. S. Rameham, H. J. McRoberts and J. D. Wearen. Dates—J. F. Cummings, John Engelman, Henry Fields. Luncheon—M. P. Salin, W. H. Wear, and John Rameham. Catalogue—S. T. Harris, H. C. Wray, B. W. Givens, J. F. Cummings, and R. S. Seidler.

Soliciting advertising and special premiums—M. P. Salin, J. A. Harris, R. T. Bruce, C. E. Tate, S. M. Sanfley. Advertising—S. M. Sanfley, J. F. Cummings, J. D. Wearen, and R. W. Givens.

Water—J. L. Beazley, and W. H. Wearen. Music—J. W. Ireland, Sam Castello, R. T. Bruce and John N. Menefee, Jr.

FEARFUL WRECK.

Between L. & N. and C. & O. Near Louisville—Four Killed.

In a head-on collision resulting from misunderstood orders, the Louisville & Nashville "Legislature Special" passenger train that left Frankfort at 4:15 o'clock Tuesday afternoon, westbound, and an empty Chesapeake & Ohio passenger train "dead-head" back to Lexington from Louisville, crashed together at Long Run, eighteen miles east of Louisville Tuesday night. C. & O. engineer Charles O'Leary and his fireman, James Forrest Marquis, both of Lexington, and L. & N. engineer James McMahon of Louisville, and his fireman, Thomas J. Johns, of Lexington, were all four killed instantly. Both engines exploded and the first coach of the C. & O. train was telescoped. The four men were buried beneath the wreckage. No passengers were killed but several badly injured.

The wreck is declared by the L. & N. officials to have been caused by a direct violation of operating rules on the part of the C. & O. employees.

TIED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic. Vinol, and I am so glad I did, for it gave me a hearty appetite. I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allsbrook. What Vinol did for Mr. Allsbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

\$1 A YEAR STRICTLY IN ADVANCE

Entered at the postoffice at Stanford as second class mail.

The republican members of the legislature, are playing politics, by refusing to support the county unit and prison reform bill, until something is done for them about redistricting the state.

Editor Sam Roberts of the Lexington Leader, is about to get in the Taft bandwagon, after all that the president did to him. If he does we will be greatly surprised in the man. Almost every man Roberts favored for appointment by the president was turned down, and the chief place at the counter was cleared for Robert's arch enemy Senator Bradley. We hardly believe that the editor of the best republican newspaper in Kentucky is going to lick the hand that smote him.

Sheriff McCarty edits most of the I. J. today—and the live merchants are talking strong to our 3,500 subscribers. We'll make up for it Tuesday, however with a larger paper.

Housework Drudgery!

Housework is drudgery for the weak woman. She brushes, dusts and scrubs, or is on her feet all day attending to the many details of the household, her back aching, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy feelings. Sometimes rest in bed is not refreshing, because the poor tired nerves do not permit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription, and as Mrs. Briggs and others testify:

It Makes Weak Women Strong and Sick Women Well.
This "Prescription" removes the cause of women's weaknesses, heals inflammation and ulceration. It invigorates the nerves, encourages the appetite and induces restful sleep.

Dr. Pierce is perfectly willing to let every one know what his "Favorite Prescription" contains, a complete list of ingredients on the bottle-wrapper. Do not let any druggist persuade you that his unknown composition is "just as good" in order that he may make a bigger profit.
Mrs. BRIGGS, of 329 N. Washington St., Delphos, Ohio, writes: "Having taken your 'Favorite Prescription' for a bad case of intestinal disease and constipation with woman's tils, for which I was almost unable to do anything, I think I am safe in saying that there are no remedies in the world like Dr. Pierce's Favorite Prescription and 'Purifying Lotion Tablets.' I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicines which have done me a world of good."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

Bowels are Basis of Child Health

The careful mother, who watches closely the physical peculiarities of her children, will soon discover that the most important thing in connection with a child's constant good health is to keep the bowels regularly open. Sluggish bowels will be followed by loss of appetite, restlessness during sleep, irritability and a dozen and one similar evidences of physical disorder.

At the first sign of such disorder give the child a teaspoonful of Dr. Caldwell's Syrup Pepsin at night on retiring and repeat the dose the following night if necessary—more than that will scarcely be needed. You will find that the child will recover its accustomed good spirits at once and will eat and sleep normally. This remedy is a vast improvement over salts, cathartics, laxative waters and similar things, which are altogether

too powerful for a child. The homes of Mrs. Carrie McDonald, 1034 Trigg Ave., Memphis, Tenn., and Mrs. Sallie E. Griffith, Veechdale, Ky., are always supplied with Dr. Caldwell's Syrup Pepsin, and with them, as with thousands of others, there is no substitute for this grand laxative. It is really more than a laxative, for it contains superior tonic properties which help to tone and strengthen the stomach, liver and bowels so that after a brief use of it all laxatives can be dispensed with and nature will do its own work. Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. H. Caldwell, 105 Washington St., Monticello, Ill. Your name and address on a postal card will do.

A Warm Bathroom

PERFECTION

Every mother should be careful that the children take their baths in a warm room. The chill of a cold room is dangerous after coming out of the hot water.

A Perfection Smokeless Oil Heater brings bathroom or bedroom to just the degree of warmth you want in five or ten minutes. All you have to do is to touch a match.

The Perfection Heater burns nine hours on one filling and is always ready for use. You can move it anywhere it is needed. There is no waste of fuel and heat warming unoccupied rooms. Just the heat you want, when and where you want it.

The Perfection is fitted with an automatic-locking flame spreader that prevents the wick being turned high enough to smoke and is easy to remove and drop back when cleaning.

Drums finished either in turquoise blue enamel or plain steel; light and ornamental, yet strong and durable—suitable for any room in any house.
